

**We proudly support our Associates and Customers in
Texas and Louisiana.**

Change Lives with Your Gift. Donate Now.

Fittings Unlimited, Inc. has activated its customer donation program. Those who'd like to help can contribute to the American Red Cross Disaster Relief [here](#) now.

We know many have helped in some amazing way or another. We at Fittings Unlimited ask only if you can, please give what you can spare. We have many friends as well as Fittings Unlimited family greatly affected by this tragedy. As soon as we can get to our facility we will update you with more information but for now we are giving to the American Red Cross. We are all Americans and are proud of all those that have given what they were able. God Bless.
